**To: - State Securities Commission
- Hanoi Stock Exchange**

ONE Technologies Corporation (ONE CORP) would like to send our most respectful greetings to your agency.

Our company would like to explain the discrepancies between the 2025 audit report and the 2024 audit report..

Data according to the report:

Unit: VND

ITEMS	Audited financial statements prepared in 2025	Audited financial statements for 2024	Difference	
Sales revenue	482.374.340.112	580.761.310.872	-98.386.970.760	-16.94%
Net profit after tax	366.222.101	1.278.333.150	2.087.888.951	+163.27%

The 163.27% increase in after-tax profit in 2025 compared to after-tax profit in 2024 is a result of the company's efforts to optimize and minimize costs, specifically:

- Reducing interest expense by 107.5%.

The above explains the main factors affecting the difference in profit between the audited financial report of 2025 and the audited financial report of 2024. The company respectfully reports this to the State Securities Commission, the Hanoi Stock Exchange, and all shareholders of the Company.

Sincerely thank you!
