Re: *Explanation of variance*

Hanoi, Aug 25th, 2026

**To: - State Securities Commission
- Hanoi Stock Exchange**

ONE Technologies Corporation (ONE CORP) would like to send our most respectful greetings to your agency.

Our company hereby provides an explanation regarding the discrepancy between the 2026 interim financial statements and the 2025 interim financial statements.

Figures according to the reports:

Unit: VND

ITEM	Interim financial statements for 2026	Interim financial statements for 2025	Difference	
Sales revenue	199.376.788.307	103.380.555.557	+95.996.232.750	+92.86%
Profit after tax	10.656.769.426	474.929.235	+10.181.840.191	+2243.86%

Revenue for the first six months of 2026 increased by 92.86% compared to the same period in 2025, and profit after tax rose by 2,243.86%, driven by the following factors:

- Reversal of the provision for bad debts, resulting in a reduction of bad debt obligations.

These are the primary factors contributing to the increase in profit for the first six months of 2026 compared to the same period in 2025.

The company respectfully reports this to the State Securities Commission, the Hanoi Stock Exchange, and all shareholders of the Company.

Sincerely thank you!

GENERAL DIRECTOR
